Dear Sir:

This paper is submitted in response to the final office action mailed January 9, 2002, wherein the Examiner (1) rejected each of the pending claims on various statutory bases, (2) objected to the declaration, and (3) granted the benefit of priority to Provisional Application No. 60/097,846 for some of the claims but denied the benefit of priority for others.

Applicant thanks the Examiner for his time and attention during the telephonic interview held on Monday.
